## CHRISTIAN PARTY RENTAL TENTS

All tents are professionally installed by our "Team In-Tents" crew.

We offer two basic types of tents, Pole & Frame. A Pole tent is more traditional featuring interior poles and extensive staking. A Frame tent has an aluminum frame that holds the vinyl top allowing for an unobstructed space. On some frame tents we can avoid staking by using weighted anchors. Our tent professionals can help you find the right tent for your needs. All tents are *White* unless noted. We can stake into tar for an additional fee. We are *not* responsible for damage to underground septic/irrigation systems or obtaining permits.

## TENT SIZING

Use the following guide to help you figure out what size tent you may need. A layout is available upon request.
