## *44' x 83' Tidewater Sailcloth Tent*

***Simplicity and Elegance tied into one.... For an inspired wedding!***

Inspired by the sea, the "Tidewater" Sailcloth tent had rapidly become the choice by brides and special event planners. With nautical flair, the sculpted peaks and eaves combine to create an open air event space like nothing you've seen before. The translucence of the sail cloth fabric enhances daytime events with natural warm light, and positively glows when lit for the evening gatherings. The Tidewater Sailcloth tent fabric is 100% waterproof and built strong to help assure your special day is not affected by the elements.

Sailcloth tents have become the newest rage in wedding tents. If you are looking for a rental tent that will leave your guests in amazement and cherish the memory of this wonderful day forever, this is the tent for you.

This tent has a wood sidepoles and center poles with rounded ends. It is a one piece tent that has no seams and no leak points.
